

I was born and raised on our family farm near Strathmore Alberta. We moved to Bowden in 1994. Except for a few years spent back on the family farm after my parents died, I have lived here ever since. I have enjoyed being involved in the Bowden Lions Club, Bowden Minor Hockey and Parkland Foundation Housing.

My best times are spent with my daughter Leslie, my granddaughter Emery and my cherished friends. I am grateful to be living next door to my family here in Bowden.

I have loved living in Bowden ever since our very first days here when we were touring the town and it happened to be the day of the Bowden Lions Club Childrens Christmas party. Their wagon loaded with children stopped near the arena and asked if our kids would like to join them on the wagon. The kids were thrilled, and we felt so very welcomed by people who would turn out to be great friends and neighbors!

I would like to try to give back to this community that has given so much to me. I am an honest, hardworking and grateful citizen. My financial experience, common sense and integrity would help to make me an asset to Bowden Town Council if given the opportunity.

If elected, I would be encouraging to new and current businesses, listen to Bowden resident's concerns and try to be fiscally responsible. I would appreciate your vote!
