### Background

Deb Coombes has been an active member of the local community for the past 16 years.

She brings to Council past experience working within public policy, boards, and conflict resolution.

Her strong work ethic (having been a nurse for over 40 years), education, and commitment to work lends herself to being a valuable member of Council.

During her election campaign she stated her desire to “act diligently and with transparency on behalf of the Town, and to continue the hard work to ensure that our community remains viable, as proud place to raise our families and start new ventures”.
