FEBRUARY 2021

Mayor Stuart's Community Message

We start the month of February with temperatures that we used to see more often. We have had a mild January until the last week. The forecasted February temperatures are supposed to be like early January.

Town Council reviewed a draft proposal of our 2021 Operating Budget at our January 25th meeting. With some minor changes, we will be approving a \$2.6 million operating budget which will have a 0% tax increase. Both the South Red Deer Regional Wastewater Commission and the Mountain View Regional Water Services Commission increased their rates by \$.05 a cubic meter which will be passed on to the residential rates. Town Council would like to commend Chief Administration Officer (Greg Skotheim) and Chief Financial Officer (Jaqueline Molyneux) for their work in preparing this budget. We would also like to thank the office staff for their efforts.

The Municipal Planning Commission held their first meeting on January 25th. At this meeting a development permit was approved for the redevelopment of the Bowden Lion's Community Hall for an apartment building. This development permit is subject to a number of conditions. The Town, Red Deer County and the developer will work together to ensure that this project is beneficial to our community. We are seeing a continuation of last years interest in both commercial and residential development and are hoping to attract investors to our community. As always, our excellent relationship with Red Deer County is very beneficial.

There continues to be a reduction in the number of Covid cases in our area. As of January 25th the active case count in our area is: Red Deer County – 31, Mountain View County – 21, Red Deer – 161, Innisfail – 28, Sylvan Lake – 24 and Olds – 12. The province has eased some restrictions but will continue mandatory masking and other precautions as they have concerns over the new variants.

In closing, I would like to congratulate Royal Canadian Mounted Police Staff Sgt. Jim Macdonald on his retirement after a twenty five year career. Jim has been the Commanding officer of the Olds RCMP detachment for the last three years. The Olds detachment is responsible for patrolling the Town of Bowden and Town Council appreciated the relationship that Staff Sgt. MacDonald fostered with our community.

Warm regards,

Mayor Robb Stuart
