

Town of Bowden  
Box 338, 2101 20<sup>th</sup> Ave  
Bowden, Alberta, T0M 0K0

Monday April 28, 2025.

---

## Concrete work in the Town

---

Please note that the Town will shortly commence concrete work projects including:

1

Concrete swales on 20<sup>th</sup> Avenue and 21<sup>st</sup> Avenue.

This is part of an infrastructure project to improve stormwater flows on these two roads.

2

A concrete sidewalk on 22<sup>nd</sup> Street between 20<sup>th</sup> Avenue and 19<sup>th</sup> Avenue.

Paving this block will provide a continuous walkway for pedestrians extending all the way from the southern boundary of the Town (by the Rodeo Grounds) to 25<sup>th</sup> Avenue in the north of the Town.

This project ties in with the final stage of the walking trail project due to be completed this year. Furthermore, this provides additional road safety for pedestrians on an important route to / from Bowden Grandview School.

Please note that this work is scheduled to commence **Wednesday April 30, 2025.**

**Please be aware of workers on the roadway and follow any road closure or detour signs that are erected. This work will close sections of these roads for a period of time.**

**Please ensure that you drive safely.**

Further work will take place in the summer to asphalt the road surface where required.

We will provide further notifications to you as necessary.

If you have any further questions, please contact the Town Administration Office on, 403-224-3395 (normal office hours are 8.00am until 4.00pm).

If required, the out-of-office hours for Public Works is: 403-224-3621.

We apologize for any inconvenience caused.

**Arno Glover**  
Chief Administrative Officer
