

Your Town News

JANUARY 2021

Mayor Stuart's Community Message

We are starting 2021 still under the provincial lockdown, but the good news is that we are starting to see a decline in the number of new Corona virus cases in the Central Zone. As of December 27th, almost 6,000 people have received the vaccine with no noted side effects. The first ones immunized were ICU doctors and nurses who are in daily contact with infected patients.

Our last Town Council meeting was held via electronic media on December 14th and our next meeting will be held by electronic media on January 11th. At our December 14th meeting, Town Council gave three readings to pass our amended Solid Waste Bylaw. Due to the current situation, Town Council is unsure when we will be able to hold a Public Hearing to move forward on the proposed amendments to our Land Use Bylaw. Information on the proposed changes is available at the top of the page when you go to the Town of Bowden website: www.bowden.ca and further information is available at the Town Office.

Administration has prepared a draft of the 2021 Capital and Operating Budgets and Town Council will be reviewing these in January. I expect that the Town will have a surplus from our 2020 budgets but at this time it I am only speculating. I would like to thank our Chief Administrative Officer and ALL of his staff for their work. There were lots of unanticipated problems to solve in 2020 and we know that this will continue as we move forward in 2021.

As mentioned in my December Mayor's Message, municipalities are not receiving any solid information on provincial funding. A new Minister of Municipal Affairs (Tracy Allard) was appointed on August 25th and (after having some dialog) we are hoping for more clarity and interaction.

I did receive a question on contacting the Town after hours. The number is on our website - Public Works Emergency Contact information 403- 224-3621.

As always, if you have any comments or concerns, please contact the Town Office.

Town Council, administration and staff wish you all the best in 2021

Warm regards,

Mayor Robb Stuart
