RESTRICTED FIRE ORDER

Pursuant to section 4.0 d) of the Red Deer County *FIRE SERVICES BYLAW 2012/14*, I David Laurin Fire Chief, for Red Deer County do hereby direct that, further notice:

- a. All outdoor fires presently burning within Red Deer County whether set with permission or under permit of the County, will remain valid for the duration of the permit, and
- b. The ignition of all new outdoor fires within the boundaries of Red Deer County are hereby prohibited, and
- c. No new fire permits will be issued until further notice

This ban **DOES NOT** apply to:

- a. Fires, which are contained within cooking and heating appliances and which are fueled by fluids, gases, or wood pellets
- b. Fires contained within industrial facilities for operational purposes
- c. Safe acceptable residential fire pits*
- d. Gas/Propane fueled fire pits/stoves/barbecues
- e. Catalytic or infrared-style heaters

This order comes into effect at 16:00 M.S.T. on the 31st day of August 2022 at Red Deer County, in the Province of Alberta.

* Safe acceptable residential fire pits - (a) A minimum of 1 meter clearance measured from the nearest fireplace edge to the nearest edge of buildings, property lines, or other combustible material; (b) Constructed of materials such as bricks or rocks that are non-combustible; (c) The base of the fire burning area is not less than 0.3 meters above the surrounding grade; and (d) The fire chamber does not exceed 1.25 meters in width, and is at least 0.4 meters but not more than 0.6 meters in depth.

Any person violating conditions of this ban may be held liable for any damages and/or costs associated with extinguishing the fire and full prosecution with penalties, in accordance with Red Deer County *FIRE SERVICES BYLAW 2012/14* and/or the *Forest Prairie Protection Act RSA*.

David Laurin
Fire Chief
Red Deer County
