2 NOTES:

- i. A Non-Resident is defined as an individual who has never resided in either the Town of Bowden or Red Deer County**
- ii. A Veteran is any person who has served in the Her Majesty's Armed Forces (Canadian or Commonwealth) or who has served as a regular member of the Royal Canadian Mounted Police and / or as otherwise defined by the Royal Canadian Legion or enactment**
- iii. Where a niche is either opened or closed (in part) after 3.30pm or at a weekend or on a statutory holiday then the higher rate applies**
- iv. The sale of columbarium niches will be sold on a first come first served basis and in accordance with a specific plot plan or desired sequence determined by the Town**
- v. A maximum number of two (2) urns may be placed in a columbarium niche**
- vi. An approved plaque or memory wall plaque can be purchased for installation on the Columbarium (see next page)**
- vii. Reference should be made to the Town of Bowden Cemetery Bylaw for specific terms relating to cemetery rules**

3 COLUMBARIUM SPECIFICATION:

Niche Dimensions inside:

12.5" width x 12.5" height x 14" depth (designed to hold 2 standard size urns)

Construction is all granite, quarried & manufactured in Ontario.

4 COLUMBARIUM PLAQUES:

- i. Niche Door***
A bronze plaque can be purchased for installation on the Columbarium niche door.

- ii. Memory Wall***
A bronze plaque can be purchased for mounting on the memory wall.

This option allows anyone to create a permanent memorial as a legacy to someone who is without a physical grave or niche (for example when ashes are scattered at a remote location).

Columbarium Plaques should be ordered via the Town Administration Office.

Please note these are of a standard design to ensure a uniform look is maintained across the whole of the Columbarium.
